Comment. It is undetermined for which purpose elements of the 65th Mort Brig (US) and the 18th How Arty Brig (US) left the Infanterie Kaserne and the Pionier Kaserne, respectively. The troops may have left for march practices, the more as the unit which left on 24 March proceeded toward west and the unit which left on 26 March, proceeded toward southeast. The statement by informant, according to which the troops were to leave for summer camps, probably at Altengrabow, between 17 and 20 April, appears credible, as, in 1953, the troops left Rathenow between 19 and 22 April.
